In Reply Please Refer to Case No. 05-0456

The Utah State Historic Preservation Office has reviewed our cultural resource files for the above requested project area.

Section 404 Consultation DOGM; the area of potential effect has been surveyed with one archaeological site located. The site appears, from the application, not to be in the six-acre area of disturbance, therefore USHPO recommends a determination of No Historic Properties Affected, §UCA 9-8-404.

This information is provided on request to assist with state law responsibilities. As specified in U.A.C. 9-8-404, final determinations concerning cultural resources are the State Lead Agency's. If you have questions, please contact me at (801) 533-3552. My e-mail address is [wmartin@utah.gov](mailto:wmartin@utah.gov)

Wilson G. Martin
